The Honourable James L. Lockyer, Q.C.
Minister of Justice
Province of New Brunswick

Dear Minister:

I have the honour to submit the Fifty-First Report of the Superintendent of Insurance for the insurance companies' business year 1987 and for the Superintendent's fiscal year ending March 31, 1988.

Total premiums, for all classes of insurance, paid by policyholders in the business year 1987 were $790,075,964, an increase of approximately 19% over the previous year. Total claims and dividends paid were approximately $396,000,000, an increase of 24%. Other Than Life business overall loss ratios increased from 64% in 1986 to 70% in 1987, and the details are highlighted herein.

The Fire Marshal's Tax, levied on all fire premiums collected by insurers during 1987-1988, exceeded $743,000. The tax rate is 1% of premiums and was collected on behalf of the Department of Municipal Affairs and Environment.

The expenses of the Automobile Insurance Rate Filing section of the Board of Commissioners of Public Utilities are collected on behalf of the Department of Transportation but reported as income to the Department of Justice. The expenses collected from insurers, based upon a pro-rata charge of automobile insurance premiums, were $252,242.

The Insurance Branch collects its own expenses by way of a pro-rata assessment on the industry based upon premium income and the 1987-1988 amount totalled $321,069.

Premium taxes are collected on the basis of 2% of premium income for life companies and 3% of premiums of other than life companies. The amount received for 1987-1988 was $13,301,507, a 6% increase over the prior year.

License and examination revenues from intermediaries (agents/brokers/adjusters/appraisers) totalled $109,928.

There were 310 insurance companies licensed during 1987. The mix is as follows:

LICENSED INSURERS	1987	1986
Provincial Mutuals	4	4
Life	105*	112
Other than Life	186*	175
Fraternal (Life)	10	10
Fraternal (Other Than Life)	1	1
Reciprocal	2	2
Miscellaneous	2	2
	310	306

* Reductions due to mergers, liquidations or cessations of business, and in Other Than Life, a number of companies were reactivated in 1987.

Le 15 décembre 1988

L'honorable James Lockyer, c.r.
Ministre de la Justice
Province du Nouveau-Brunswick

Monsieur le ministre,

J'ai l'honneur de vous présenter le cinquante-et-unième rapport du surintendant des assurances pour l'exercice 1987 des compagnies d'assurance et pour l'année financière du surintendant se terminant le 31 mars 1988.

Pour toutes les classes d'assurances, les assurés ont versé 790 075 964 $ en primes pendant l'exercice 1987, ce qui constitue une augmentation de quelque 19 p. 100 par rapport à l'exercice précédent. Les décaissements pour sinistres et participation ont atteint 396 000 000 $, soit une augmentation de 24 p. 100. Enfin, les ratios des sinistres-primes pour les compagnies d'assurance autres que celles offrant de l'assurance-vie sont passés de 64 p. 100 en 1986 à 70 p. 100 en 1987; ces ratios sont d'ailleurs analysés en détail dans le présent rapport.

La taxe du prévôt des incendies, prélevée à même les primes d'assurance-incendie perçues par les assureurs, a excédé 743 000 $ en 1987-1988. Le taux d'imposition correspond à 1 p. 100 des primes, et la perception est faite au nom du ministère des Affaires municipales et de l'Environnement.

Les dépenses de la section de tarification de l'assurance-automobile, de la Commision des entreprises de service public, sont recouvrées, pour leur part, au nom du ministère des Transports, mais sont portées au poste des revenus du rapport annuel du ministère de la Justice. Les sommes recouvrées des assureurs, lesquelles sont proportionnelles aux primes d'assurance-automobile qui leur ont été versées, se sont chiffrées à 252 242 $.

La Direction des assurances recouvre elle-même ses dépenses en imposant aux assureurs des cotisations proportionnelles à leurs revenus-primes. En 1987-1988, ces cotisations se sont élevées à 321 069 $.

La taxe sur les primes équivaut à 2 p. 100 du montant des primes payées aux compagnies d'assurance-vie et à 3 p. 100 des primes versées aux autres compagnies d'assurances. En 1987-1988, les sommes recueillies en vertu de cette taxe se sont chiffrées à 13 301 507 $, ce qui constitue une augmentation de 6 p. 100 par rapport à l'exercice précédent.

Les recettes provenant des licences et des examens des intermédiaires (agents, courtiers, experts, estimateurs) ont atteint 109 928 $.

En 1987, 310 compagnies d'assurance ont obtenu une licence :

ASSUREURS AUTORISÉS	1987	1986
Compagnies mutuelles provinciales	4	4
Compagnies d'assurance-vie	105*	112
Autres compagnies d'assurance	186*	175
Sociétés de secours mutuel (vie)	10	10
Sociétés de secours mutuel (autres)	1	1
Compagnies d'assurance réciproque	2	2
Divers	2	2
	310	306

* Les diminutions sont le fait de fusions, de liquidations ou d'abandon des affaires. Par ailleurs, on a assisté en 1987 à la réactivation de compagnies autres que celles offrant de l'assurance-vie.

The agency and adjusting forces licensed during the year were as follows:

LICENSE TYPE	1987-1988	1986-1987
Life Insurance Agents	1312	1410
Other Than Life Agents	838	897
Brokers	72	73
Accident & Sickness	104*	145
Travel	133	139
Special Insurance Brokers	6	6
Damage Appraisers	78*	124
Adjusters	273	292
	2816	3086

* REDUCTIONS DUE TO CENTRALIZATION OF SERVICES AND ATTRITION.

The Insurance Branch received approximately 1000 enquiries and complaints during the 1987-1988 fiscal year. Written and telephone enquiries included information on market availability, interpretation of coverages, information on insurers and intermediaries, dissatisfaction with policy and claims service and clarification of statutory rights under contracts of insurance. The industry has been very responsive to situations on which we requested assistance or further consideration. In most instances, the parties were satisfied with or accepted the end results.

The year in perspective was a communicative one as we met regularly with all industry associations, both for the intermediaries and insurers. We worked closely with our province-based insurers, in particular the Fire Mutuals who enjoyed a respectable growth in 1987.

Accessibility to markets remains fairly stable including commercial liability portfolios whereby insurers are fulfilling needs with prudent underwriting and promotion of greater risk retention and management programs. Home Protection markets are deemed to be "soft", which consumers will continue to enjoy for the balance of '88 and for most of 1989. Although there is more stringent underwriting selectivity of automobile risks in the northern sector of the Province, in general the auto insurance market remains relatively stable.

Insurer amalgamations and mergers with other financial institutions remain a high profile within the financial sector as they seek greater market penetration through networking of products and services. Our challenge is evaluating the financial solvency of such "arrangements" and the regulatory supervision of individuals in distributing integrated services and products.

Respectfully submitted,

R. W. Richard
Superintendent of Insurance

Les professionnels de l'assurance ayant obtenu leur licence cette année se répartissent comme suit :

GENRE DE LICENCE	1987-1988	1986-1987
Assurance-vie	1 312	1 410
Assurance autre que l'assurance-vie	838	897
Courtier	72	73
Assurance-accidents et maladie	104*	145
Assurance-voyage	133	139
Courtier spécial d'assurance	6	6
Estimateur de dommages	78*	124
Expert en sinistres	273	292
	2 816	3 086

* Les diminutions découlent de la centralisation des services et de l'attrition.

Notre bureau a reçu environ 1 000 plaintes et demandes de renseignements pendant l'exercice 1987-1988. Les demandes écrites et téléphoniques portaient sur l'information concernant les services disponibles sur le marché, l'interprétation des garanties, l'information sur les assureurs et les intermédiaires, l'insatisfaction à l'égard des polices et du traitement des demandes d'indemnité, ainsi que l'éclaircissement de la situation entourant les droits statutaires en vertu des contrats d'assurance. Les assureurs ont très bien réagi lorsque nous leur avons demandé de nous aider ou d'étudier certains cas plus en détail. Dans la plupart des cas, les personnes concernées ont été satisfaites des décisions finales ou les ont acceptées.

L'année 1987-1988 a été particulièrement profitable du point de vue de la communication, autant pour les intermédiaires que pour les assureurs, car nous avons rencontré régulièrement des membres de toutes les associations de l'industrie. Nous avons travaillé en étroite collaboration avec nos assureurs du Nouveau-Brunswick, en particulier avec ceux des compagnies mutuelles (feu), lesquelles ont connu une augmentation respectable en 1987.

L'accès aux marchés demeure assez stable, de même que les portefeuilles complets, ce qui fait que les assureurs peuvent répondre aux besoins de façon prudente, encourager les assurés à assumer une plus grande responsabilité dans le contrôle des événements et favoriser la gestion des programmes. Les marchés de la protection immobilière sont jugés comme étant bons, situation dont les consommateurs continueront de bénéficier pour le reste de l'année 1988 et pour la plus grande partie de 1989. Bien que l'on soit plus sélectif quant aux risques dans le nord de la province, en général le marché de l'assurance-automobile demeure relativement stable.

Les fusions d'assureurs avec d'autres établissements financiers demeurent très populaires au sein du secteur financier, étant donné qu'ils recherchent une plus grande pénétration du marché grâce à l'établissement de réseaux de produits et de services. Notre défi consiste à évaluer la solvabilité de tels "arrangements" et la surveillance réglementaire qui se fait des personnes chargées d'offrir des produits et des services intégrés.

Veuillez agréer, Monsieur le ministre, mes sincères salutations.

R. W. Richard
Surintendant des assurances
